- Waypoint

# Device Lending Library AT4Maine.org

The screenshot shows the AT4Maine.org website. The top navigation bar is dark blue with a search bar containing the text "Enter a keyword or phrase to search." and a magnifying glass icon. On the right side of the navigation bar is a shopping cart icon with a red "0" badge. Below the navigation bar is a white banner with the text "Welcome to Maine's Assistive Technology device loan program! A free resource for Mainers of all ages and all abilities." Below the banner is a large heading "AT4Maine is a free service offered by Maine CITE" with navigation arrows on the right. To the left of the main content is a dark blue sidebar with the Maine CITE logo (three stylized figures, one in a wheelchair) and the text "Maine CITE Assistive Technology for all ages and all abilities!". The sidebar contains a "Login or Create Account" button and a "Home" button. Below the sidebar are sections for "ITEMS" (Newly Listed Items, Item List) and "CONTACT" (Contact Us, Participating Programs). The main content area includes a list of services: "Have demonstrated - see how they work!" and "Borrow - take to school, home or work and use for a few weeks." Below this is a note that borrowers can have up to five (5) devices checked out at a time. There is a link for "Five Locations" and a paragraph stating that five statewide AT4Maine Partners have hundreds of AT devices available for Mainers to "try before you buy." They are located at: Maine CITE. An image of silhouettes of people with various disabilities is shown on the right side of the main content area. At the bottom right of the page is a circular help icon with a question mark.
